Why choose University Readers as your textbook adoption partner?

Submit your textbook requests to us and **we'll quickly respond with quote and availability information**, so you will know the price before you place your order using our adoption form. And since we are able to provide delivery in less than 3 weeks from order date in most cases, **you have extra time to finalize your selections.**

Your students can order their textbooks, along with a course pack if you use one, from **our e-commerce site that handled over 50,000 student transactions in 2006.** This allows them to avoid the hassles of beginning-of-term bookstore lines and buy **markup-free materials anytime, anywhere (even at 2AM!).**
